Harvest festival

Beeston primary school provided 35.4kg of food for the food banks.

Thank you so much.

Planets class loved their PJ day.

Stars enjoying reading Café.

Planets learning new skills in our reading café.

Comets on a school trip to the National Space centre.

When we went on the trip to the Leicester space museum it was full of amazement and surprises.

When we first entered the museum, there was a real satellite hanging from the ceiling and it was 16 feet long.

The best part was when there was a huge room and all of the walls were a screen.

I felt like I was moving through space and there were demonstrations of the dangers of space

Theo C. House Captain.

Beeston's house and vice captains

Message from FOB's

We have been working hard on finalising a play equipment plan and obtaining several quotes. We have decided on a design, plus an additional set of 3 swing bars which costs £9861. The great news is that we are approximately two thirds of the way there. Hopefully with one final push of fundraising which includes the Silent Auction, Christmas activities, Tesco's Blue Token Scheme (to be confirmed) and approaching local businesses for sponsorship and grants we should achieve our target by Springtime.

A huge thank you to everyone who continues to support and help us. We couldn't do it without you.

FOBS team

Thanks to everyone who came to our Halloween party. We managed to raise a fantastic £300.

We have lots of exciting events coming up over the new few weeks.

These include

- * 29th November - a cake raffle
- * 29th November - this will be a non-uniform day in exchange for prizes that will be used for our Christmas party tombola
- * 11th December - Christingle Service, FOBS will be providing the refreshments
- * 18th - Our Christmas party

More details to follow on these events.
